Sew $\frac{1}{4}$ " away from each side of the marked line. Cut apart at pencil line. Press. Trim to $4\frac{1}{2}$ " square.

Make 25 Quarter-Square Triangles (QSTs).

Note: This setting only uses 25 QSTs. You will have extra HST units.

STEP 3. SASHING

Sew 5 rows of QSTs and $4\frac{1}{2}$ " x $12\frac{1}{2}$ " sashing strips as shown. Flip each QST so the colors alternate to create a pattern.

Repeat to make 16 Half-Square Triangles (HSTs).

STEP 2. STITCH-N-FLIP

Use the 5½" white squares to put Stitch-n-Flip corners on the red half of each HST. Use the 3½" blue squares to add blue corners.

Set four units aside, and add 3½" blue Stitch-n-Flip corners to the white half of the remaining twelve units.

NOTE: If you make these border units first, you can use most of the cut-away triangles in some of your sampler blocks.

SUMMER IN THE COUNTRY: GRANDSTAND

STEP 3. MAKE ZIG ZAG ROWS

Lay the squares out in two rows of eight squares each. Notice that the squares without the second blue triangle are at the ends of the rows, and the red stripes form a zigzag across the rows.

STEP 4. INNER BORDER

Sew the $2\frac{1}{2}$ " x $16\frac{1}{2}$ " white strips to the end of (2) $2\frac{1}{2}$ " x $40\frac{1}{2}$ " white strips. Sew these strips to the bottom of the pieced border strips (the side that has three blue triangles.)

Set these border strips aside.

STEP 5. SASHING STRIPS

Sew two sashing strips, each with two $2\frac{1}{2}$ " x $12\frac{1}{2}$ " white strips and one $2\frac{1}{2}$ " x $24\frac{1}{2}$ " white strip, separated by $2\frac{1}{2}$ " red squares.

SUMMER IN THE COUNTRY: GRANDSTAND

ASSEMBLE THE QUILT

Sew 2.5" x 12.5" white strips to the end of two 2½" x 40½" white strips. These are your side borders.

Lay out sixteen blocks in an arrangement that pleases you, and sew into rows as shown.

The top and bottom rows have 2½" x 12½" white strips placed between blocks 1 and 2, and between blocks 3 and 4. Blocks 2 and 3 are sewn together without a white strip between them.

The center row is a "double row" of blocks, with four blocks sewn together in the center, and pairs of blocks on either side. 2½" x 24½" white strips separate the pairs and the group of four blocks.

Sew the block rows together, separated by the white and red sashing strips.

Then sew the 2½" x 52½" white strips to the right and left sides of the block panel.

Finally, sew the borders to the top and bottom of the center piece.

Cutting Instructions

FROM BACKGROUND FABRIC, CUT:

- * (3) 12½" x WOF strips; subcut (48) 2¼" x 12½" strips for sashing
- * (2) 20¾" x WOF strips; subcut (3) 20¾" squares and cut each square on the diagonal twice to yield (10) setting triangles
- * (1) 12¼" x WOF strips; subcut (2) 12¼" squares and cut each square on the diagonal to yield (4) corner triangles

FROM ACCENT FABRIC, CUT:

- * (2) 2¼" x WOF strips; subcut (31) 2¼" squares

FROM BORDER FABRIC, CUT:

- * (8) 4½" x WOF strips. Sew strips together end-to-end to yield (4) 4½" x 82" borders

FROM BINDING FABRIC, CUT:

- * (8) 2½" x WOF strips. Create binding as desired.

ASSEMBLE THE QUILT

Arrange blocks, sashing, posts and setting triangles in rows as shown. Sew rows together, keeping in mind that you will assemble the blocks first with the vertical sashing, then attach the horizontal sashing/posts, and lastly add any setting/corner triangles. Setting/corner triangles are oversized to allow for trimming.

Pay careful attention to Row 4 Assembly which is an exception. It has a TOP and BOTTOM sashing and you will need to sew the right setting triangle on prior to adding the TOP horizontal sashing/posts.

Sew Rows 1-6 together to form quilt top. Trim quilt ¼" past the point on outer red post squares as shown.

Measure center of quilt. It should be approximately 77¾" long, however each person will have a slightly different measurement depending on how they trimmed their quilt. Cut left and right borders to size attach.

Repeat with top and bottom borders. Quilt top should measure approximately 66 ½" wide.

Quilt as desired.

Quilt measures approximately 66½" x 85¾" long. Bind with (8) 2½" strips.

SUMMER IN THE COUNTRY: BLUE RIBBON

We will use the Stitch-and-Flip method to put contrasting corners on some pieces. Place a small square on the corner, mark and sew a diagonal seam. Trim away the corner 1/4" from the seam, and flip the new corner open.

STEP 1. UPPER LEFT SECTION

Sew the Dark Blue, Light Blue and White triangles into four Quarter-Square Triangles. One QST will have two dark blue triangles. The other three will have one dark blue and one white triangle.

Each QST must measure 2-1/2" x 2-1/2". You can discard the leftover triangles.

Set one of the white/dark blue QSTs aside. Sew the other three QSTs into a unit with three 2-1/2" white squares. Notice that the QST with the two dark blue triangles is at the bottom right of this unit.

The unit should measure 4-1/2" x 6-1/2".

STEP 2. LOWER LEFT SECTION

Using the Stitch-n-Flip method and the 1-1/2" dark blue squares, put dark blue corners on one of the 2-1/2" white squares. Sew this unit to the end of the 2-1/2" x 4-1/2" dark blue rectangle.

Sew the "ribbon" strip you just made to the RIGHT side of the 2-1/2" x 6-1/2" white strip.

The unit should measure 4-1/2" x 6-1/2".

STEP 3. UPPER RIGHT SECTION

Using the Stitch-n-Flip method and the 1-1/2" dark blue squares, put dark blue corners on one of the 2-1/2" white squares. Sew this unit to the end of the 2-1/2" x 4-1/2" dark blue rectangle.

Sew the "ribbon" strip you just made to the RIGHT side of the 2-1/2" x 6-1/2" white strip.

The unit should measure 4-1/2" x 6-1/2".

Sew the 1-1/2" x 4-1/2" white and red strips together, then sew a 1-1/2" x 2-1/2" white rectangle to each end of the stripset. Use 1-1/2" white squares to add Stitch-n-Flip triangles to the top corners of the 3-1/2" x 6-1/2" light red rectangle. Sew the two units together. Now sew the star point unit to the left end of the jar unit. This section should measure 5-1/2" x 8-1/2".

SUMMER IN THE COUNTRY: BLUE RIBBON

STEP 4. LOWER RIGHT SECTION

Use a 1-1/2" white square to add a Stitch-n-Flip triangle to the lower left corner of the 6-1/2" red square, and use the 1-1/2" light red square to add a Stitch-n-Flip triangle to the lower right corner of the red square.

Use a 1-1/2" white square to add a Stitch-n-Flip triangle to the lower right corner of the 2-1/2" x 7-1/2" light red strip.

Sew the 1-1/2" x 6-1/2" dark red strip to the top of the 6-1/2" red square, then sew the 1-1/2" light red strip to the right side of the 6-1/2" red square.

This section should measure 7-1/2" x 8-1/2".

ASSEMBLE THE BLOCK

Sew the top left and bottom left sections together. Sew the top right and lower right sections together. Sew the left and right sections together to complete the block, which should measure 12-1/2" x 12-1/2".

YIELD 66½" x 85¾"

PORCH SWING BLANKET SETTING

CUTTING

FROM BACKGROUND (WHITE):

- * (3) 12½" by width of fabric strips. Cut into (48) 2¼" x 12½" rectangles for sashing.
- * (2) 20¾" by width of fabric strips. Cut into (3) 20¾" squares and cut each square on the diagonal twice to yield (10) setting triangles.
- * (1) 12 ¼" by width of fabric strips. Cut into (2) 12¼" squares and cut each square on the diagonal to yield (4) corner triangles.

FROM POST FABRIC (RED):

- (2) 2¼" by width of fabric strips. Cut into (31) 2¼" squares.

FROM BORDER FABRIC (FLORAL):

- (8) 4½" by width of fabric strips. Sew strips together end to end to yield (4) 4½" x 82" borders.

FROM BINDING (RED PLAID):

- (8) 2½" by width of fabric strips.

Arrange blocks, sashing, posts and setting triangles in rows as shown. Sew rows together, keeping in mind that you will assemble the blocks first with the vertical sashing, then attach the horizontal sashing/posts, and lastly add any setting/corner triangles. Setting/corner triangles are oversized to allow for trimming.

Pay careful attention to Row 4 Assembly which is an exception. It has a TOP and BOTTOM sashing and you will need to sew the right setting triangle on prior to adding the TOP horizontal sashing/posts.

Sew Rows 1-6 together to form quilt top.

Trim quilt ¼" past the point on outer red post squares as shown.

Measure center of quilt. It should be approximately 77 ¾" long, however each person will have a slightly different measurement depending on how they trimmed their quilt. Cut left and right borders to size attach. Repeat with top and bottom borders. Quilt top should measure approximately 66 ½" wide.

Quilt as desired.

Quilt measures approximately 66 ½" x 85 ¾" long. Bind with (8) 2 ½" strips.
