

METROPOLIS BASICGREY®

Alone we can do so little, together we can do so much.

Whatever the state or country, there is a large, busy city with a different kind of energy. Modern. Cosmopolitan. Industrial. Metropolis captures the mood of an urban environment with a graphic mix of text, pattern and color. Find your city center on the map print panel – it's big enough for a pillow, tote, quilt medallion or wall art.

Pattern shown here by Basic Grey
BG PAT010 / BG PAT010G
Urban Plaid Brit Edition Size: 87" x 107"
