

# YUCATÁN

by Annie Brady

Inspired by the Mexican Caribbean coast, Yucatan is a collection packed with youthful energy! Fresh and contemporary but with a hand-rendered charm, the illustrations tell a story of sunny days, sea views, jungle walks and craggy cliffs. Sea birds, cacti and flowers add a playful punch, and subtle tribal motifs and geometrics reflect the landscape. Yucatan has a lush color palette, as bright and cheerful as the peninsula itself.
