Magic is all around, you just have to believe.

V. and Co.

You asked and we heard. Introducing V & Co.'s Ombre Fairy Dust with Silver metallic stars!

This much-anticipated follow-up to our Ombre Confetti Dots will include all thirty-two ombre colors with a beautiful silver overlay of stars. We think it's a magical addition to our ombre family, one that is sure to be an amazing addition to whatever project you have in mind. We have new quilts designed for Fairy Dust Metallic and all of our existing ombre patterns will work. We pride ourselves on including cutting diagrams for the ombres to take the guesswork out of re-creating our quilts. We make using ombres fun and stressfree.

So join the V & Co. ombre storm and add some magical Ombre Fairy Dust silver stars to your life.
