

Sunday Stroll

by Bonnie & Camille

MARCH DELIVERY

There are so many beautiful reasons to be happy

Summertime in Idaho is absolutely magical. The blue skies and big fluffy clouds return, flowers are in bloom, the trees are full and green. A leisurely stroll down the winding neighborhood roads is the perfect way to spend a lazy Sunday afternoon.

These Sunday strolls were the inspiration for the latest collection from Bonnie & Camille. Their cheery signature colors and beautiful vintage florals will bring back your favorite summer memories all year long.
