CRYSTAL  MANNING

Inspired by a trailblazer in the culinary world, this collection is a reflection of **Julia Child's** larger-than-life personality and passion for French cuisine. Her ability to bring joy to the kitchen and the table through her love of food has left a lasting impression on generations of cooks and food lovers.

My hope is that this colorful collection will bring joy to your sewing room as you sew projects for family and friends. Make a new apron, gift hot pads to your friends, update your table with a topper or make a cozy quilt! **Julia** is sure to make you smile with bright florals, pops of fruit, tea cups and cute little birdies.
