MINICK & SIMPSON

Red and white never gets old. From classic quilts to iconic logos, the combination of colors always catches the eye. Roselyn is about my love for peppermints and polka dots, and a vintage restaurant china collection found in diners. It mixes my favorite paisleys and stars with bloomy florals, all colored in red, cream and shades of pink. Roselyn feels familiar and timeless; it has the warmth of home, wherever that might be.
