

THATCHED

New Colors

ROBIN  PICKENS

Let's spice it up!! Yup, I mean with flavorful colors to add some new variety to THATCHED! Twenty-five new colors get to join the group for a bigger offering of colorful goodness. Green Curry, Masala Spice and Smoked Paprika bring in those warm and spicy hues with a little appetizer of Olive and Toast. Feeling sweet? Then Honeycomb or Chocolate Bar are for you. Can you tell I was hungry when naming these colors?

It's not all about spices, but I do imagine a lovely table set with a centerpiece of lovely blues and purples included with the colors of Pansy, Forget Me Not, Bluebell, Dutch Iris and Periwinkle. And to round it out, this group also has some nice neutrals of Washed Linen and Sand Castle. Add in a bright white-on-white – that's Blizzard – and the Chalkboard Scribbles that remind me of Heather in reverse – a contrasty white and dark grey that might be my new favorite. Okay, I really can't pick one because I love all colors! I hope you do too and enjoy this new mix of Thatched basics!
